From C. S. Balasundaram Iyer Esq.
Assistant Commissioner

To N. Venkata Rao Esq.
Offg Deputy Commissioner
Shimoga District

Sir,

With reference to Government Proceedings No. P.A. 584-5 dated 9th October 1903 declaring Sagar as my head Quarters during the time (16th October 1902 to 23rd May 1903) that I was in charge of the late Sagar Sub Division in addition to other duties, I beg to state that in my batta bills submitted during the period, daily allowance had not been charged for halts made in Shimoga, under the impression that it continued to be my head Quarters. Now that Government have declared Sagar to have been my head Quarters during the period, I beg to forward herewith supplementary travelling allowance bills for the halts made in Shimoga during the months — October 1902 to May 1903.

In the bills already submitted, I had charged batta for halts made in Sagar. Of these the daily allowance for halts made in Sagar during December 1902 and January 1903 have been disallowed in the bills recently received audited. The deductions on the same ground for the other months are shewn in the enclosed supplementary bills.

I beg to add that owing to the exigencies of my work as 2d Assistant Commissioner, Shimoga, I had to halt in Shimoga continuously from the 24th March to 19th April. Under article 552 Mysore Service Regulations the sanction of Government is required for the passing of daily allowance for a halt of more than 10 days in a place. A part of the Sagar Sub Division Establishment also remained in Shimoga during the period for the despatch of current work and the batta of the officials &c. for the long halts has been passed under the authority of Government Proceedings No. 10426-7-P&A 821 dated 26th December 1902.

I request that you will kindly move Government to accord similar sanction in my case also, and transmit the bills for audit.

I have etc.
